Housing Information

*What type of room are you hoping to live in next year?

Is North Neighborhood your first or second preference?

University Housing offers non-smoking and substance-free housing. I would prefer..

Lifestyle Information

Which statement best describes your standards for the condition of your room/apartment?

How often do you see yourself cleaning your room/apartment?

Which statement best describes your preference of study environment in your room/apartment?

How often do you plan on doing your laundry?

How do you feel about groups of people socializing in your room/apartment?

How do you see yourself usually spending Friday evenings?

Roommate Information

How would you feel about your roommate borrowing or sharing your personal belongings?

Your community members will have a multitude of characteristics that may be different from you. How do you feel about having a roommate that reflects this diversity?

Would you live with a roommate who identifies as gender non-conforming or transgender?

Would you live with someone who has food allergies that might limit their ability to eat certain foods in their room?

Dealing with conflicts:

How do you feel about your roommate's significant other

frequently
spending time in
your
room/apartment?

Although
smoking is
prohibited in the
Residence Halls
and Apartments,
smoking habits
can influence
roommate
relationships. Do
you smoke?

The University
prohibits the use
of alcohol when
in violation of
state law or
University policy;
however, your
attitude on
alcohol use is
important. How
would you
describe your
attitude toward
the use of
alcohol?
